

Children's Treatment Coordinator I

Job Description

Department: Children's Justice Center
Position: Career Service
Starting Step: 38, Table 14
Supervisory: No
Reports to: Executive Director - CJC

Summary

Under general supervision of the Executive Director - Children's Justice Center and as a licensed mental health professional, coordinates and oversees treatment services for child abuse victims and their families and provides training for community treatment providers.

Essential Functions

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

1. Coordinate the Children's Justice Center Child Abuse Treatment Program; maintain and coordinate the essential specialized, age-appropriate group treatment elements consistent with grant requirements; maintain information and contacts for making specialized individual child abuse treatment referrals to community providers.
2. Recruit, maintain, and coordinate age-appropriate treatment groups to serve child abuse victims; track treatment usage and outcomes of intervention processes. Interact with local and state-wide treatment providers and social service agencies to facilitate collaboration efforts. Assist in the development of treatment groups for child abuse victims and non-offending parents.
3. Provide direct intervention services to alleged child abuse victims and non-offending family members onsite or by telephone; assess the mental health and needs of the child and parents and provides appropriate treatment and/or recommendations using information obtained during intake interviews, collateral contacts, and by reviewing assessment results; make treatment or social services referrals to various agencies and refers cases for criminal investigation according to applicable laws and regulations.
4. Create and submit accurate records and documents according to compliance standards and established time requirements; prepare statistical reports to assist in monitoring program services, expenditures, and grants.
5. Participate in ongoing training to maintain "state of the art" knowledge and enhance therapeutic skills related to child abuse treatment, Post Traumatic Stress Disorder, and child and family development, etc.
6. Coordinate and assist with training of multi-disciplinary team members, community treatment professionals, Social Work interns, CJC volunteers, and others regarding child abuse issues, child development and assessment trauma intervention, and specialized age-appropriate therapeutic
